# DEMENTIA AWARENESS WORKSHOP

Dementia Singapore aims to foster a dementia-friendly society by providing quality care and support to persons with dementia and enabling members of the community through advocacy and training.

The 3-hour Dementia Awareness Workshop will focus on providing awareness and information to members of the public, who will learn to recognise and assist persons with dementia and refer them to community resources for support.

## Learning Objectives

- Myths and facts of dementia
- Recognise the signs and symptoms of dementia
- Effects and challenges when communicating with persons with dementia
