Intergenerational Learning Programme (ILP)

The ILP aims to encourage intergenerational bonding by matching youths and seniors in a group learning environment. Through practical activities via Zoom or at various schools across Singapore, seniors acquire new knowledge while youths share theirs and learn character building.

Are you 50 years old & above, and a Singaporean or Permanent Resident? Are you also interested to learn new skills and find new hobbies? Hesitate no more, REGISTER your interest with us today by scanning this QR code or visiting:
