

ABOUT US

Silver Mobility Aiders (SMA) is a programme launched by Kampung Senang Charity & Education Foundation to assist the pioneer and silver generation.

Volunteers & caregivers under this programme will be equipped & trained with basic wheelchair maintaining & servicing skills. Skills attained will then be used to support the wheelchair users in the community.

SMA is also a programme to empower senior volunteers & caregivers to reach out to other seniors.

BECAUSE OF OUR COMMUNITY-FOCUSED SOLUTIONS, FOR EVERY VOLUNTEERING SESSION YOU ATTEND, 2 MORE WHEELCHAIR USERS WILL BENEFIT

OUR VISION

A loving and caring community dedicated to promote senior volunteerism among seniors who can help others by volunteering and giving back to the community.

OUR MISSION

To empower senior volunteers with knowledge on wheelchair maintaining, servicing and good communication skills through customer service and leadership management training.

OUR OBJECTIVES

To encourage seniors volunteers to volunteer and groom them into team leaders. Thereafter, they can then help to promote a healthy, caring, and inclusive society.

VOLUNTEER TODAY

Volunteers play a vital role to care for the physically disabled and the needy. Whether you have little or even no knowledge on wheelchair servicing and maintenance, training will still be provided. Let us embark on this journey together to promote active volunteering and to give back to our own community.
